PROJECTS

Adults Only Pet Finder

- **Description:** Users can specify what they are looking for in a pet and receive a pet suggestion.
- **Responsibilities:** Front and back-end developer responsible for crafting fun and responsive UX using Animate.css and ScrollReveal. Also helped build our backend, using localStorage and API calls.
- **Tools/Languages Used:** HTML, Javascript, CSS, Materialize, jQuery, Animate.css, ScrollReveal.js, randomized picture APIs
- **GitHub:** github.com/a-thread/adults-pet-finder
- **Deployed Project:** a-thread.github.io/adults-pet-finder/

weatherDash

- **Description:** Displays current weather data as well as a five day forecast for a chosen city via user input. The user is able to input their city by zip code to return current and upcoming weather data including: temperature, humidity, wind speed, and UV index.
- **Tools/Languages Used:** Javascript, HTML, CSS, Materialize, jQuery, Moment.js, Canva
- **GitHub:** github.com/a-thread/Weather-API-Aiden
- **Deployed Project:** a-thread.github.io/Weather-API-Aiden

Timed Code Quiz

- **Description:** Timed multiple choice quiz that tests the user on their coding knowledge. At the end of the game, the user is able to see their score, save it and add it to the high score list!
- **Tools/Languages Used:** Javascript, HTML, CSS, Bootstrap, jQuery
- **GitHub:** github.com/a-thread/Timed-Code-Quiz

- **Deployed Project:** a-thread.github.io/Timed-Code-Quiz

EXPERIENCE

Communications Director

Maine Transgender Network | Portland, ME | 2019 – present

I serve on a working board and act as Communications Director for a peer support network focused on connecting transgender residents of Maine with Community. I am primarily responsible for creating and maintaining our website as well as managing our social media, email marketing, and communications calendar. Highly collaborative work environment as our programming is constantly growing and adapting to this new online-focused world.

Key Accomplishments:

- Developed new logos to showcase our new online programming
- Built a new website to better handle our online traffic and showcase our new training programs
- Created branded imagery for each new training program
- Created original content via Canva for email campaigns and social media marketing

Communications Associate

Center for Grieving Children | Portland, ME | 2018 – 2019

I was primarily responsible for maintaining our website and creating original content for online and print marketing materials. Our goal was to connect to new donors via social media, and illustrate our programming to better communicate the vital peer support work being done by the Center.

Key Accomplishments:

- Created original content via Canva and photoshop for fundraising events including our Annual Gala.
- Created original content via Canva for email campaigns and social media marketing
- Connected with hundreds of new donors via Facebook to raise an additional \$2,000 every month towards our general fund

EDUCATION

Bootcamp Certificate: University of New Hampshire, Portsmouth, NH 2020

A 26-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Emerging Leaders Program: Maine Association of Nonprofits, Portland, ME 2019

Bachelors of Studio Art: University of Southern Maine, Gorham, ME 2013 - 2017

Dean's List 2015 - 2017

Peregrine Fellowship 2017
